

# Mission 2: Storage Facility

## Walkthrough

1. Start in the small room north of the main warehouse.
2. Cross the main warehouse, take the stairs up to the mezzanine, and find the Yellow Key.
3. Go down 2 flights of stairs, through a yellow door and teleporter.
4. Find the Blue or Red Key. (Optional) Teleport to the other side and find the third key.
5. Go back to the main warehouse and take the small northern elevator down to the final area.
6. Take the left (Red) or right (Blue) path, open a few doors (one locked), and teleport to the north annex.
7. Flip the switch in the north annex, teleport and go through the last doors.
8. (Optional) Go through other path

## Secrets

1. Switch in west annex opens door to teleporter to east annex .
2. Switch in east annex opens door to teleporter in west annex .
3. Switch in east annex opens door to nearby stash room.
4. Jumping off elevator onto storage crates in east annex allows access to hidden vent to LAZ Device.
